

ZODIAC 82

FELICIA MOFFETT

A generation goes, and a generation
comes, but the earth remains for
ever.

The sun rises and the sun goes down,
and hastens to the place where it
rises.

The wind blows to the south, and goes
round to the north; round and round
goes the wind, and on its circuits
the wind returns.

All streams run to the sea, but the sea
is not full; to the place where the
streams flow, there they flow again.

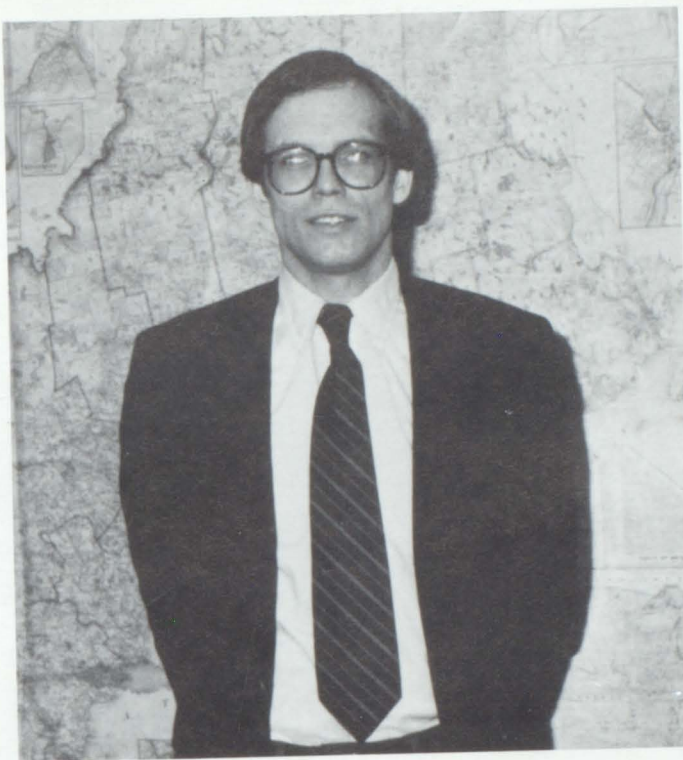

Ecclesiastes chapter 1
verse 4-7

JAMES ALAN SUMMERTON

When you look back on your years at Telstar, I hope that each of you will recall your experience at Telstar as being rewarding, challenging, and enjoyable. Your teachers have worked hard to provide you with the experiences you will need to succeed in the world of work or in higher education. Be proud of your accomplishments, and stay in touch so that we can determine how we can make schooling an even better experience for future students in S.A.D. #44.

Dr. Wayne F. Gersen
Superintendent

"Happy are those who dream dreams and are willing to pay the price to make them come true."

The last four years have provided you the members of the Class of 82 with many opportunities to make plans, and to prepare for the future. You have had the chance to dream of what you want to do. Now it is graduation time, are you willing to pay the price to carry out your plans? To make your dreams come true?

I think that many of you can and will make your dreams come true and wish you every success in your efforts. To those who have not yet determined a course of action to follow — it is late but not impossible, if you are willing to make a commitment and pay the price — to make your dreams come true.

Best Wishes,

Warren E. Bouchard

Telstar, Fryeburg Win Ski Titles

BETHEL — Telstar boys and Fryeburg Academy girls came away with the heavy hardware Friday at the conclusion of the state Class A Ski Championships, with Edward Little taking runnerup trophies in both categories.

The Rebels were awesome. The boys won all three events as a team and the boys-girls combined took five of the six individual first places. The Raiders won both girls' Alpine events (slalom was held Friday), and though they had their problems in cross country, the lead was too great for EL to overtake.

Final three-event boys' team totals show Telstar with 292.28 points and EL at 285.35. Fryeburg was a distant third at 269.66, followed by Madawaska at 269.44, Mt. Blue 262.43, Camden-Rockport 260.00 and Gray-New Gloucester 254.39.

Dan Cyr of Ft. Kent, skiing as an independent, earned Ski Meister honors with a 290.28 three-event total. Ola Ringsaker of Gray-New Gloucester was second at 286.77 and Madawaska's James Pelletier third at 275.21. Tom Dostie of Lewiston, also skiing as an independent, was fifth in Ski Meister totals.

Course conditions at Sunday River

were ideal for Friday's giant slalom (cross country was held at Telstar), but the skiers had to battle a bitterly cold wind. Telstar succeeds Mt. Blue as state Class A champion.

Chris Mills led Telstar to its predictable victory in giant slalom with a first-place time of 2:01.42. Mills was nearly three seconds ahead of second-place teammate Robby James, with Gray-New Gloucester standout Ringsaker third. Bryan O'Donnell, seventh, joined his Telstar teammates among the top 10 finishers.

Telstar's giant slalom total was 98.14 while Mt. Blue finished second at 96.04 followed by Gray-NG, EL, Madawaska, Camden-Rockport and Fryeburg.

Telstar surprised EL in cross country, again taking the top two places. Andy Chase was first in 26:15, Lawrence Smith just over a minute behind. EL's Rusty Young finished third. Ron Savage of Telstar was seventh. Ringsaker, who was among the top 20 in all three events, was tied for 12th.

Telstar scored 98.55 in cross country, EL second at 97.83. Then came Gray-NG, Madawaska, Fryeburg, Mt. Blue and Camden-Rockport.

Final three-event girls' team totals had Fryeburg with 277.32 and EL 268.71. Telstar was third with 264.01, followed by Mt. Blue at 260.91, Ft. Kent 255.92, Oxford Hills 244.43 and Livermore Falls 234.55.

Telstar's Heidi Burk, though, finished first in the girls' giant slalom. Burk was clocked at 2:08.85 for the two runs, well ahead of second-place Betsy Eastman of Fryeburg, at 2:11.83. Lane came in third. Eastman was joined in the top 10 by Fryeburg teammates Patty Bowe (fourth), Kristin Russell (sixth), Sheila Halpin (seventh) and Osgood (eighth).

Fryeburg's winning total in giant slalom was 96.45, EL running second at 90.82. Then came Telstar, Mt. Blue, Ft. Kent, Oxford Hills and Livermore Falls.

Virginia Kelly of Telstar, this year's Eastern Junior champ, was the easy winner in cross country. Kelly finished in 18:35, nearly two minutes ahead of EL standout Heidi Gatz. Mt. Blue's Karen Druggie was third. Becky Flynn (fifth), Jennifer Towle (eighth) and Rose Tardiff (tied for 10th) joined Gatz to lead EL to the team win in cross country.

The Eddies had 93.48 points in the event, Telstar second at 91.99 followed by Mt. Blue, Ft. Kent, Livermore Falls, Fryeburg and Oxford Hills.

CLASS A SKI CHAMPIONS

Rem's Comments,

Boy's skiing at Telstar experienced one of its most successful seasons ever. Rebel skiers became So. Regional and State Champions in Class A and Rebel ski jumpers were runners-up in the State Jumping Championships. The Alpine, X-C, and jumping squads earned winning records that may not have been equalled in this state.

The Alpine squads 15-4 records for the season showed the talent and depth that made them State Champions.

Ten seniors graduate from the team this year but, with skiers like Scot Angevine, Bruce Barth, Rick Coulombe, Alan Merrill and Shawn Smith waiting in the wings and some up and coming eighth graders, Telstar skiing looks good for the future.

The Alpine squad for this year's girls team entered Class A competition for the first time. The move up from class B seemed to be a challenge that the girls were ready to face head on. During the course of the season the Alpine and X-C squads ran up winning records as the Alpine finished 11-8 with the X-C showing strength at 20-3. Both squads closed out the season with a third place finish in the State Class A Ski Championships.

The season was an enjoyable one and the good times certainly out-numbered the bad.
